

**Cincinnati Christian Schools  
Physical Education Waiver Form**

**Students Participating in School-Sponsored Athletics**

Students in grades 9-11 who participate in two seasons of school-sponsored high school athletics, beginning in the fall of 2017, shall not be required to complete any physical education course as a condition to graduate. (An athletic season is defined by the rules and bylaws of the Ohio High School Athletic Association). Team managers/videographers do not qualify for this exemption/waiver. Partial credit cannot and will not be granted.

To be eligible to graduate, a high school student who is excused from the physical education requirement must still complete instruction in the required electives and the required half credit for the health course.

Participating in school athletics is a privilege and not a right. This policy shall not, in any way, be construed as granting a student the right to participate in such school activities. Guidelines and policies, including codes of conduct, shall all apply.

Granting of this waiver becomes effective upon completion of two athletic seasons as approved by the athletic director and submission of the completed *Physical Education Waiver Form* to the guidance department.
