

2024-2025 PROFILE

Cincinnati Christian Schools is an independent, coeducational school. We are evangelical and non-denominational, featuring selective admissions. Our comprehensive Christian school offers educational opportunities that prepare students from preschool through grade 12 for Kingdom service. ACADEMICS

Our thorough academic program lays the groundwork for outstanding achievement in college, career, and beyond. Students discover their purpose as creative thinkers and servant-leaders who are well prepared in academic disciplines as well as writing, critical thinking, problem solving, and communication skills. Courses and programming are offered to allow students of all ability levels the opportunity to succeed.

ATHLETICS

CCS's athletic program is an integral part of the educational process. Students are taught the value of hard work, discipline, team building, sportsmanship, and other values. Through our competitive program, administered in a caring Christian environment, we seek to enrich the spiritual lives, develop the social and moral character, and enhance the physical skills of our student-athletes.

FINE ARTS

Our fine arts program offers a broad exposure to band, choir, theatre, and visual arts. Students develop skills necessary to pursue further training and to use the arts to minister to others. Introductory-level courses train students in the foundations of each discipline, and upper-level courses offer specialized studies which build upon the experiences of the creative process.

SPIRITUAL LIFE

Lasting faith must be active and engaging, so our students participate in weekly chapel; serve locally, regionally, and globally; and develop skills to defend their Christian beliefs. Engaging students in biblical studies courses and an intentional biblical worldview integration in everything we do demonstrates our deep commitment to help every student grow into a mature life of faith.
