

CCS SECURITY PERSONNEL

Cincinnati Christian Schools is hiring part-time, seasonal security personnel for both the Elementary and JH/SH Campuses. The security personnel will serve to increase campus safety during school-sponsored indoor or outdoor events where the school community and public are invited. Duties will include monitoring the doors and patrolling the halls, lobby, and parking lot during events. Security personnel will wear vests identifying them as "Security" and carry walkie-talkies and/or cell phones and flashlights.

Previous security experience is not required. Qualified applicants will need to complete a CCS Employment Application (unless they already have one on file). Once hired, candidates will also need to pass a CCS background check. Events will generally take place outside of school hours and security personnel will be compensated.

If you are interested in helping to keep our students, families, and guests secure while earning some extra money, please apply! For more information, contact Mei Ling Rumping, HR Manager, at 513-892-8500, x138 or meiling.rumping@cincinnatichristian.org. To apply, please follow the application process instructions on our website at <https://cincinnatichristian.org/about-us/employment/>
