

## PERFORMANCE THEATER TEACHER

Cincinnati Christian Schools is in search of a highly motivated individual to join our school community as our performance theater instructor. CCS is a distinctively Christian school that prepares Christian students for Kingdom service. This candidate will know and understand the relationship of the arts in a Christian school and its impact on the lives of student-thespians. The ideal candidate must be passionate about theater, love working with junior high and high school students, and be willing to assist with the school's theatrical productions.

Performance Theater is an acting class that ranges from an introduction to acting to advanced training, depending on the prior skills of the students. Regular exercises in improvisation, dramatic interpretation, and character development while engaging in classical and contemporary scripts are covered in the curriculum. Students in our Performance Theater classes are prepared to audition for one or more of our school productions, which occur in the fall and the spring.

This is a part-time position.
