

## SCHOOL COUNSELOR

Cincinnati Christian Schools is in search of a vibrant and dynamic full-time junior high/senior high school counselor who has been called to work in the field of Christian education. CCS is a distinctively Christian school that prepares Christian students for Kingdom service. Our teachers and staff have a contagious love for Jesus Christ and a passion for the subject matter, grade level, or area in which they teach or work. In addition, they have a strong desire to form meaningful relationships with students and their parents.

The school counselor provides a comprehensive program focused on the educational, personal/social, and career/vocational needs of all students in grades seven through twelve. Consulting with teachers, staff, and parents enhances the school counselor's effectiveness in providing services to meet the needs of students and offering support to other educational programs.

Qualified candidates will have a minimum of a bachelor's degree. A master's degree in guidance and/or school counseling is a plus. Must have, or be able to obtain, a valid guidance counseling license from the state of Ohio.

This is a full-time salaried position with full insurance and benefits coverage. CCS partners with the Butler County Educational Service Center (BCESC) to staff this position. The school counselor will officially be employed by the BCESC but will work at CCS. Tuition financial aid is also available for employees with school-age students who attend Cincinnati Christian Schools.
